SAIS EUROPE

ANNIVERSARY
SAIS EUROPE

CLASS AND MEMORIAL INITIATIVES

First launched in 1999, the establishment of class initiatives **has now become a tradition** with SAIS Europe classes replicating the intense community experience of their time in Bologna. Class initiatives represent a **meaningful way to support** the school's priorities by extending its base of supporters and leaving a legacy for the next generation of students.

Memorial Initiatives are a meaningful way to **honor the memory** of beloved members of the SAIS Europe community and keep their memory alive. The memorial funds commemorate the **personal and professional contributions** these great individuals made during their lives and allow that their legacy with the school will live on.

Is your class missing?

If you would like to add your class to the list, please contact the SAIS Europe Development team at sais.eu.development@jhu.edu
